2004 J. Lohr Cuvée POM

"Merlot is the tar in this blend, named for Pomerol. Coffee and carob, tomato leaf and plum all mingle easily, washing the palate with lush, creamy tannins that finish soft."

2004 J. Lohr Cuvée PAU

"Top Ten Proprietary Blends of the Year"

"Substantial aromas of mixed berries, espresso, leather and earth graced with a vanilla note. Thick, creamy flavors of black fruit, semisweet chocolate and vanilla frosting are suggestive of drinking chocolate cake. Chewy finish."

2004 J. Lohr Cuvée PAU

"This is the winery's Pauillac-style, almost entirely Cab. Shows real varietal character with intense cassis aromas and flavors, accented by plenty of oak. The tannins are similar to a Sonoma mountain Cab, firm, dry and dusty, suggesting ageworthiness." **92 Points** – Steve Heimoff
